Among the adult books purchased this year were: Amanda/Miranda, Princess Daisy, The Solar Home Book and Saved. Among the children's books was a selection of eighteen chosen on a variety of subjects of interest for each age group. A Winnie the Pooh series was also purchased. Subscriptions include Good Housekeeping, New Shelter, and Family Food Garden.

Hopefully, within a few months, the Library will be a part owner of a movie projector to be used to show movies that may be borrowed at no charge from the State Library. Children and adults will both benefit from this purchase.

We have sent for pamphlets in the past year printed by the government for the benefit of the consumer. A number of them concern alternative energy sources: very important to all of us.

We regret that Mary Albert resigned in November, due to other duties. We shall miss her.

Our continuing thanks go to Geneva for her time and service.

Town of Effingham  
RFD #1  
Center Ossipee, New Hampshire 03814

Dear Mr. Thompson:

In confirmation of our telephone conversation yesterday, the failure of any town officer to submit material on a timely basis for the Town Report should not preclude either other officials preparing their reports or the publication of the report.

If I may be of further assistance to you, please do not hesitate to contact me.

Very truly yours,

David D. Clukay  
Assistant Director  
Municipal Services Division  
Department of Revenue Adm.

The above letter has been copied in its entirety in lieu of the certificate of audit.

## CONSERVATION COMMISSION REPORT

The Conservation Commission's activities during 1980 included numerous on-site inspections for applications and complaints in accordance with dredge and fill regulations of the New Hampshire Special Board.

In order to better educate ourselves, we attended various workshops throughout the State. We have begun the work on the Wetlands Ordinance dealing with very poorly drained soil. In order to present the Town with the best possible ordinance, we are recommending the Town hire Barry Keith, Natural Resource Consultant, to develop a Wetlands Survey for Effingham. If this is acceptable to the Town, the work on the survey will begin in April and conclude in August. This survey and Ordinance will be presented at the 1982 Town Meeting.

Our regular meetings are held the second Thursday each month and the public is always invited.

Respectfully submitted,

Roger Nutter, Chairman

## REPORT OF EFFINGHAM PLANNING BOARD

1980

During the year of 1980, the Planning Board's activities were as follows: 12 regular meetings; 4 of these were public hearings, 7 special meetings; 3 of these were public meetings and 6 on-site inspections.

On August 15, 1979 at a special town meeting, the Town voted in the affirmative that the Town should have a Master Plan.

In November, 1979 the Planning Board and Lakes Region Planning Commission started the development of a Master Plan.

In December, 1979, and January, 1980, a community survey was conducted with 85 % of Effingham residents filling out the questionnaires.

In March, 1980, a summary of the community survey results were distributed to Effingham residents.

On April 24, 1980 a contract was signed with the Lakes Region Planning Commission for the sum of \$5,000.00 for the purpose of assisting the Town of Effingham in the development of a twenty year Master Plan. It is contemplated that the Master Plan will be completed by April 1, 1981.

On June 3, 1980 Effingham Master Plan community goals were approved by the Planning Board.

Between June and December 1980 several Planning Board and public meetings were held for the preparation process of the Master Plan. Also several chapters and maps for the Master Plan have been prepared by the Lakes Region Planning Commission and reviewed by the Town. We would like to thank the volunteers for their excellent work in collecting data required for the Land Use Map.

In February 1980 the Board lost an able member, Mrs. Dorothy Cragin, and we want to thank her for her contribution in Effingham planning and for being our secretary. Her replacement is Mrs. Sara S. Piper of South Effingham.

Residents of Effingham are invited to attend our monthly meetings which are held on the first Tuesday of every month in the Library at the Town Hall.

Respectfully submitted,  
Eugene S. Kirkland  
Chairman  
Effingham Planning Board

## THE EFFINGHAM RESCUE UNIT REPORT FOR 1980

The Effingham Rescue Unit completed its first year of providing emergency ambulance service to the townspeople in addition to area rescue service with another substantial increase in requests for help, up 47 % over 1979. Out of 53 emergency medical service responses, the unit provided ambulance transportation as needed 25 times.

In addition to regular meetings, training sessions, and fundraising, members taught Advanced First Aid and CPR and continued to provide monthly free blood pressure clinics. Also, the unit has made great efforts to cooperate with other rescue squads and the Ossipee Valley Mutual Aid in order to provide coordinated coverage of emergency medical services in our area.

Thank you for your support and encouragement during 1980.

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

## MEALS - ON - WHEELS

Meals-on-wheels continued for the second full year in 1980, thanks to a Town appropriation and to our faithful volunteer drivers and substitutes. The program practically paid for itself. The Town was billed \$820.39 for the meals provided and for a cooler used to transport meals; recipients donated \$642.80 towards their meals. Each recipient donates as much as he or she is able to for the meals, which cost 70 ¢ per meal in 1980 as the Town share; this money is deposited into the Town general fund as it is received. Ossipee Concerned Citizens, which is in charge of the area's Meals-on-wheels program, bills the Town monthly for the meals it has prepared for Effingham clients. The number of recipients in 1980 varied between 3 and 6.

Not only does the program provide a nourishing meal five times a week for our older and/or disabled residents, but it also supplies a regular check on them. It gives shut-ins a daily contact with different people, too.

Meals are picked up at Abbott's Store or in Center Ossipee at the kitchen, by the daily driver, who then delivers them. If you are interested in becoming a driver (one noon-time every other week) should we need one, or a substitute, please call me at 539-6835. Also, if you know of anyone who would be interested in receiving meals-on-wheels on a regular or a temporary basis, let me or the Selectmen know.

The spirit and success of the program are based on cooperation - between towns, drivers, recipients, and all who are involved in this very worthwhile project.

Lorraine Blair

Town Coordinator

## EFFINGHAM ACTIVITIES COMMITTEE

The Effingham Activities Committee spent a busy year in planning and sponsoring town activities during 1980.

Starting in February, Whist parties were introduced, and through the generosity of the Effingham Historical Society, held at the Historical Building in Center Effingham. These parties started out on a bi-monthly basis but were so popular they are now being held every Saturday evening at 7:30 PM.

Besides raising money by selling our dwindling supplies of cookbooks and bi-centennial coins, the committee held a bake sale at Abbott's Store to raise funds, and while it was not a large money maker, we found ourselves with no food left at the end of the day. The committee also held the third annual games day at the Falls School. This was once again well attended, with everyone having a great time, adults as well as game players.

The committee spent the rest of the year sponsoring activities, helping out the town with the halloween party at the fire station (#2), the Christmas program at the South Effingham Church, and helped send the Effingham Falls School down to the Theater By The Sea to see Scrooge and Marley.

Speaking of Christmas, the committee also held a Christmas Carol Sing at the Davis Meeting House. Everyone who came had a great time, and even the electrical generator held out until after the service let out!

The Big Project of the year was raising money for the Ossipee Recreation Program. In order for Effingham's young people to take part in this program, \$1,200.00 had to be raised. Thanks to the generosity of the people in Effingham, and many hours of stuffing envelopes by the committee and George Mueller, this amount was reached and exceeded. The surplus is now in a special bank account, to be applied to the 1981 amount that will be required if Effingham still takes part in this program. To all who helped with this fund raising, and to all who gave, The Effingham Activities Committee says "Thanks, you're the Greatest!"

Coming up this year will be a bulletin board on the town hall, to protect notices from the weather, and a flag pole to be dedicated on July 4th, 1981 in front of the town hall building.

Also a note to let the people of Effingham know that the Veteran's List should be ready by spring and will again be installed on the plaque at Lord's Hill.

## VISITING NURSE ASSOCIATION

Requests for the services of our Agency continue to increase. Earlier hospital discharge, increased population and increasing services available are all contributing factors. A total of 5,511 visits were made by the Agency Staff members. An additional 265 Home Health Aide visits were made under the contractual agreements with the Carroll County Health and Home Care Service which serves Carroll County, and the Lakes Region Community Health Agency which serves Alton.

Our Immunization Clinic Program continues to offer immunization clinics in Alton, Wakefield and Wolfeboro. These clinics are held in cooperation with the local school systems. A total of 680 children received 1131 immunizations through this program. Four clinics are held in Alton and Wolfeboro each year; monthly clinics are held in Wakefield. All clinics are open to all children from age two months and are free of charge.

Adult Health Screening Clinics, open to all residents of our service area were held in Alton and Sandwich in cooperation with the local Lions Clubs. Screening tests for glaucoma, diabetes, hypertension, vision, hearing and oral cancer were provided. Staff members assisted at the Wolfeboro Senior Citizens Club Flu Immunization Clinic and held blood pressure screening clinics in Sandwich and at the Huggins Hospital Street Fair.

Our application for funding for a Well Child Clinic Program through the State Department of Public Health, Bureau of Maternal and Child Health was accepted. At present we are offering these services at two locations: Wakefield and Ossipee. The Ossipee clinics are being held in cooperation with the Ossipee Nursing Service. The Well Child Clinic Services are available through regularly scheduled clinic appointments for children enrolled in the Program. Services include physical examinations and assessments, immunizations, hearing and vision screening, speech assessment, nutritional counseling and dental preventative care. The services are available to children from birth through five years of age who reside in our service area. We hope to establish a third clinic site in Wolfeboro to make this program more accessible to Alton and Wolfeboro residents.

The success of our programs is dependent upon many people: the commitment of our board members; the assistance of school nurses, particularly with the Immunization Clinic Program; the doctors, nurses and volunteers who assist with our Well Child Clinics, and the support of local residents and taxpayers who contributed financially to our Fund Drive and give their support to our appropriation request. The Board of Directors, the Agency Staff and I thank you all.
